

Specifications/Features

Fixture

Jewel-like crystal shade is available in Amber, Blue, Clear or Smoke.
 Fixture is milled from solid brass and finished in hand-polished chrome or platinum.
 Length: 45-1/2", including shade. Length is field adjustable.
 Glass Shade: 6-1/4" long, 1-1/2" diameter.

Mounting

Three different mounting options allow for unlimited placement possibilities in lighting design:

- SL:** Standard rail mount. Allows the fixture to be conveniently mounted anywhere along the rail system up to the maximum capacity of the circuit.
- SP:** Mono-point pendant for remote transformer.
- SPT:** Mono-point with a built-in 120/12V, 60W electronic transformer in the canopy.

Lamp

(1) 20W (max.) 12V T3 lamp, G4 base or compatible LED lamp (by others).

Rated for 12 or 24 volts.
